## OBJECTIVE

Dedicated and composed Medical Diagnostic Imaging and Radiation Therapy Technician with expertise in ultrasound and radiology. Seeking a position in a hospital environment to contribute and enhance patient care.

## PROFESSIONAL COMPETENCIES

**Ultrasound:** Proficient in performing pelvic, obstetrical, abdominal, prostate, and breast ultrasound scans.

**Radiology:** Skilled in standard radiology procedures.

**Dental Panoramic:** Experienced in dental panoramic imaging.

**Computerized Tomography:** Competent in CT scanning techniques.

**Mammography:** Proficient in mammographic imaging.

**Electrocardiogram:** Experienced in conducting ECGs.

**Nuclear Medicine:** Knowledgeable in nuclear medicine procedures.

**MRI:** Familiar with MRI imaging techniques.

**Radiation Therapy:** Competent in radiation therapy procedures.

## EDUCATION

***St. Louis University Institute of Health and Biomedical Science, Bamenda, Cameroon***

**Graduated in 2013**

Diploma: Higher Professional Diploma (HPD) in Medical Diagnostic Imaging and Radiation Therapy.

## PROFESSIONAL EXPERIENCE

**Ultrasound Technician, CMA Muea, Cameroon**

**2018 to Present Date**

Contributions:

- Excelled in performing a diverse range of ultrasound scans, including pelvic, obstetrical, abdominal, prostate, and breast imaging.

- Demonstrated unwavering commitment to diagnostic accuracy and patient care, consistently delivering precise and high-quality results.
- Collaborated seamlessly with a multidisciplinary healthcare team to ensure comprehensive patient treatment plans.

**Ultrasound Technician, District Hospital Mundemba, Cameroon      2017 to 2018**

**Achievements:**

- Played a pivotal role in the medical diagnostic team, specializing in pelvic, obstetrical, abdominal, prostate, and breast ultrasound scans.
- Provided invaluable support to physicians in diagnosis and treatment planning through accurate and timely imaging.
- Demonstrated exceptional interpersonal and communication skills, reassuring and educating patients during their diagnostic procedures.

**Voluntary Service, L'Hopital de la Caisse, Yaounde      January to June 2016**

**Key Responsibilities:**

- Worked collaboratively with the healthcare team, contributing to various imaging modalities, including standard x-ray, CT-scan, ultrasound, dental panoramic, and mammography.
- Gained exposure to diverse medical imaging equipment and established a reputation for meticulous attention to detail and patient comfort.
- Showed dedication to providing compassionate care and maintaining the highest ethical standards.

**Technician in Ultrasound, Mobile X-Ray Unit, and Electrocardiogram, Clinique Yola Canaan, Kye-Ossi, Cameroon      November 2013 to November 2015**

**Notable Achievements:**

- Delivered exceptional service in ultrasound, mobile X-ray, and electrocardiogram procedures.
- Assisted in expanding the clinic's diagnostic capabilities, contributing to the overall quality of healthcare provided.
- Prioritized patient safety and confidentiality, ensuring a comfortable and secure environment for all.

**Academic Internship      2011 to 2013**

**Internship Highlights:**

- Participated in diverse clinical rotations at renowned medical institutions, gaining extensive experience in conventional radiology and ultrasound, nuclear medicine, and radiation therapy.
- Demonstrated an unwavering commitment to learning and adapting to various clinical settings.
- Collaborated with experienced healthcare professionals, further developing essential skills in patient care and medical imaging.
